

### Welcome to Batawa Ski Hill

Nestled in the picturesque hamlet of Batawa, is the Batawa Ski Hill. It was established in 1955 by a dedicated group of Bata Shoe factory employees. They obtained permission from Mr. Thomas Bata to clear some trees and install a homemade rope tow on one of the hills close to the shoe factory. These employees had a keen interest in community spirit and skiing. With hard work and sheer determination they founded the Batawa Ski Hill. Today, the ski hill has evolved to three lifts and seven runs.

There is no better place to learn how to ski or snowboard in the area. The ski school and it's certified instructors offer lessons for the novice skier/snowboarder to the expert and everyone in between. The Batawa Ski Racing club also boasts a strong race program for kids ranging in ages from 5 to 17.

Come Ski Batawa!
