

Your Responsibility Code

1. Always stay in control and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent run away equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride, and unload safely.

The Bolton Valley Ski Patrol does not patrol or sweep closed trails, out-of-bounds areas and backcountry.

If you venture out-of-bounds, you are responsible for your own actions, for your own rescue, for the cost of your rescue and you waive all claims for an injury. (12 V.S.A. 103B)
