CAUTION: The Jay Peak Ski Patrol does not sweep all trails, glades and chutes

- Slow Skiing Area
- X-Country Trails
- ◆ First Aid Station
- AREA BOUNDARY

SKI AREA BOUNDARY POLICY

- Check the Ski Area Boundary and ski or ride only on open trails and glades within the Ski Area Boundary.
- Woods and backcountry areas beyond the Ski Area Boundary are not maintained or patrolled by Jay Peak Resort.
- Do not leave the Ski Area Boundary unless you are prepared for wilderness survival.
- Past the Ski Area Boundary, there is no way back to the Jay Peak Resort Base Area.

WOODS SKIING POLICY

- Woods are not opened, closed or marked, they contain many hazards
- Woods are recommended for EXPERT skiers in groups of 3 or more, please do not ski woods or chutes after 3 pm
- Woods skiers must enter and exit from an open trail and cannot ski under or around traffic controlling ropes or fences
- Be aware that skiing in boundary woods may lead you away from Jay Peak trails
- When you pass beyond the area boundary you leave the area of Ski Patrol services, you are responsible for your own actions, your own rescue and the cost of your rescue
